

CABLE ADVISORY COMMITTEE

Final

August 14, 2023

4:00 pm

Present:

Committee members: Jim Belanger, Doug Cleveland, Darpan Gogia, Chuck Benz

Staff: Lori Radke, TA, Dawn Desaulniers, IT Director

BOS Rep: Joe Garruba

C. Benz suggested contacting other towns that have TDS and if they are having any issues.

D. Gorgia suggested reaching out to the TDS to get an updated copy of the contract from them.

The committee discussed section 3.1. Areas to be served. It is currently 250 Square feet should it be 350 square feet. The committee wanted to bring this up to the TDS rep.

Section 5.1-The committee believed any channel changes should go through the town before any decisions are made by TDS.

6.1 c

- Increase internet access speed at Lawrence barn to 250mbps
- Add Farley Building at 23 Main St to transmission of Access Programming and provide 250 mbps internet access without charge at Farley Building located at 23 Main St.
- No one was in favor of adding Hollis Elementary schools to the list of locations to transmit

10.3 Update contact information and notify us when this changes.

Next steps: Have Lori contact Kathleen to send us a copy of their proposed contract and to schedule a meeting date with Kathleen.

All agreed the list discussed is not for sharing with TDS yet. The group wants to review TDS's proposed contract first.

June 19 minutes were approved: Doug motioned to approve, Jim 2nd, Chuck abstained

Meeting adjourned 5:10 pm
