Municipal Building Energy Data:

Community Power:

Philip's presentation for the BOS went over quite well. We have approval to move forward with presentations to residents and other community groups. They suggested we put up information on the HEC web page as well. Philip will put that together and Mike will check with Dawn about the best/easiest way to do that.

Old Home Days Planning:

Mike confirmed that our application for two plots is submitted. Locations won't be published for a week or so. Venu hosted a planning meeting last Friday and will do another one next week. Eric will create a sign-up chart for manning the booth. Paul has a tent. Mike and Woody will be getting the stuff Eric has because he will be out of town on OHD weekend. Adam will bring his Chevy Bolt for display. Philip is preparing a Community Power info display.

Adjourned 4:40pm, Next Scheduled Meeting: 9 Sept. 2021

Respectfully submitted, Mike Leavitt
