Discussion –

NH preservation Update:

Karla gave an update on the NH Preservation Alliance grant. The first step was complete when the Committee met the NH Preservation representatives. The Committee will need to focus on step two. The second step is to hire a general consultant to give an overall assessment. Mike and David said they would each ask their contacts to submit a proposal. David Petry said he would ask the Select Board if funds can be used out Special Projects to pay for the consultant. The funds not to exceed \$10,000.

David Sullivan suggested we consider holding a charrette. The NH Preservation representatives agreed. Karla said the NH Preservation told using the phase-in approach was desirable as it would appear there is progress, increasing the possibility for additional funding.

Karla said she would break up the application and give the committee parts/questions to answer.

Lynn suggested the Committee look into Moose grants for additional funding.

There was some discussion about uses for the Farley Building.

Meeting adjourned at 6:00 pm

The next meeting is (no meeting date was set).
