Business: The Hollis Heritage Commission subcommittee for developing signage for the Gambrel Barn, Ice House, and Cooper Shop met tonight 6pm – 7pm, and have been finding some really wonderful history and information.

At Woodmont Orchard, we may build only the square footage that was originally on site. The Nichols-Smith Land Trust administers the easements in town; they want to be sure that we're within our bounds to re-build the Noah Dow Cooper Shop at Woodmont, so that they don't get in trouble with the State of New Hampshire. Dave is working on this final step; the Selectmen have been on board with the project, and we have a lot of support and interest in town.

Saturday, March 3rd will be the annual Selectman's Volunteer Breakfast, 9am – 11am.

Honi reports that there will be a demolition coming up on a fairly new (12-year-old) building.

Karla has put a notice in the paper about the upcoming calendar submissions, and will have the town Webmaster add the notice to our website, as well. She'll also start advertising for submissions on the Hollis-Brookline Facebook page.

Wendy reports that Honi delivered our thank-you notes for selling 2018 calendars.

Agatha Connelly is interested in joining the HHC, and will start the process to become an Alternate Member.

Meeting adjourned at 7:48pm. Motion by Wendy, 2nd by Karla.

Next Meeting to be held on Tuesday, February 27.

Respectfully submitted by Aurelia Perry.
