Finance: Jan reports that we have \$14,485.80 in the Cooper Shop account; \$20,000.00 in the Money Market account (interest from this account is added to the Cooper Shop account); \$3,359.00 in the general Heritage Fund account. We received \$750.00 as our Town appropriation for 2021. Activity has included a request to reimburse Karla \$50.00 for the wreath on the Gambrel Barn, and for calendars; a deposit of \$30.00 from Town Hall calendar sales; a deposit of \$450.00 from Hollis Pharmacy calendar sales. The total we have received to date from donations and calendar sales this year is \$2,550.00. We are still awaiting checks for calendar sales from Lull Farm and Brookdale Farm Market.

Business: Farley Building. There will be a committee looking into possibilities for the Building. Dave will be on the committee as a member of the past Farley Building committee with knowledge about the history of the property; Karla will join the committee as a representative from the Heritage Commission, and Michael will join the committee as a representative from the Historic District Commission. The Zoom meeting regarding the future of the Farley Building was very positive regarding a restoration. The people who have shown an interest in a restoration indicate that they may be able to raise much of the funds privately. Grants will also be explored.

Wendy suggested that we consider what we might like to achieve in 2021, both realistically and unrealistically as goals / thoughts for the future.

Meeting adjourned at 7:37pm.

Next Meeting to be held on Tuesday, January 26, via Zoom.

Respectfully submitted by Aurelia Perry.
