

Hollis Seniors Newsletter

January 2022

Merry Christmas and Happy New Year!! Welcome to 2022!

December was a busy month. Along with our December weekly events, we also had our Christmas luncheon at the Alpine Grove, we elected new Officers, and we started some new programs for January 2022.

First off. During our first December meeting we had Bruce Moran, who is the Hollis VFW Chaplain, provide us with a rendition of our flag, "Old Glory." Excellent! Believe more citizens need to hear this tribute to "Old Glory."

We then had a "look back" to past Hollis meetings. Don and Sheryl provide a slide show of some of our past activities. A great look back as we have been a long time organization. And before we adjourned, we had elections for next years officers. Your officers for 2022 are:

President:	David Seager	
Vice President	Marion Keith	
Secretary	Kathy Peterson	New Person
Treasurer	Nancy Bell	
Programs	Lynn Moseley	New Person

As you see, we had some new folks step up. Congratulations to all.

We need to give a real big note of thanks to Bob Fiero (past secretary) and Don and Sheryl Ryder (past programs). Bob, Don and Sheryl have devoted many years of their time to the Seniors. They were key members in helping to keep our organization on track and so interesting. Again, a big round of thanks to them.

At our final meeting of the year, we all met at the Alpine Grove for a great luncheon. Over 30 members were in attendance and from the comments, everyone had a great time. We finished the luncheon with a yankee swap of gifts and a group photo. All-in-all, a great way to end our year.

Now on to 2022. Below are activities that are planned for January.

6 January: We are starting the new year with "song." The "Garage Band Singers" will provide musicals from "sing-alongs" to solos for our entertainment. There will be a snow date of 13 January if we are cancelled on 6 January. Also, if we are not cancelled, Brandi who is our Yoga instructor will be leading us in our last class, as she is "moving on." Brandi: Thank you! We thoroughly enjoyed you leading us "seniors" in healthy exercises. Best of luck!

Lynn will take over the yoga duties until Laura comes back during the Spring. So yoga will continue.

13 January: Games day

20 January: Brain storming session for future activities. Come prepared to offer suggestions ranging from in-house activities, possible side trips, to eating out, to “dessert day” to etc. Bring your ideas.

27 January: Business meeting and birthday celebrations with ice cream and cake. Birthday celebrants are: Jeffrey Arpin, Laura Biathrow, Charlotte Cormier, Robert Fiero, Jeanne Reme, Dave Seager, Andrew Seremeth and Corinne Simmons.
