EXPLORER RESPONSIBILITIES

Explorers are a direct reflection on the Hollis Police Department and Explorer Post they represent. As such, Explorers must always present themselves in a professional manner.

In the event a report is made to the Post Advisor that an Explorer has presented himself or herself in a manner which is unprofessional the Explorer may be removed from the program following an investigation of the alleged behavior.

Explorers have the obligation to notify the Post Advisor of any adverse contact with police officials in any jurisdiction. Examples of adverse police contacts include being the subject of police scrutiny, such as being stopped for any driving offense, or being present at any gathering where the police are called because of citizen complaints. Individual instances of this will not necessarily be a reason for dismissal from the Explorer Post, but a pattern of behavior may well be grounds for dismissal.

Explorers will not participate in any type of illegal activity. If it is determined an Explorer has participated in any type of illegal activity since his/her acceptance into the Post, he/she may be terminated. Any and all allegations of illegal activity will be investigated as mentioned above.

Regardless of age, Explorers are not permitted to use tobacco / alcoholic products while involved in explorer activities. If it is determined that an Explorer is using any type of tobacco / alcoholic product, that Explorer will be dismissed.

ATTENDANCE

Post Meetings will be held on the first Thursday of the month from 5:00 pm until 7:00pm. Unless otherwise indicated the meetings will be held in the training room at the Hollis Police Department, located at 9 Silver Lake Rd. Hollis, NH 03049. There are no meetings during school holidays and vacations, however we will meet throughout the summer. An Explorer is not allowed to attend a meeting if he/she is absent from school on the same day as an Explorer meeting. Explorers are expected to be in uniform for all Post Meetings unless otherwise indicated.

Attendance will be taken at all meetings, details and events by the Explorer Captain or his/her designee. Explorers requesting an excused absence shall contact their Sergeant in advance of any such absence. In the event reasonable effort was made to contact their Sergeant, but contact could not be made, then the Explorer seeking an excused absence will contact the Captain or his/her designee. If an Explorer is seeking an excused absence and is unable to reach any Post Supervisors, that Explorer may contact the Post Advisor. Excused absences, apart from an emergency, are generally predictable and are to be planned in advance.

If an Explorer is unable to attend any of the Post Meetings or mandatory activities an excused absence must be requested in advance.

Examples of acceptable excused absences include:

1. Attending a school function
2. Celebration of his/her birthday
3. Family Obligation
4. Incapacitated by serious illness or injury
5. Work obligations

If an Explorer misses a Post Meeting, it is their responsibility to get the information he/she missed at the meeting. Explorers will be expected to know what was covered at every meeting. Any Explorer that receives an “unexcused absence” may be placed on probation. Excessive unexcused absences may result in dismissal from the Post.

Hollis Police Explorers are also expected to participate in several mandatory activities each year. Mandatory activities and events include:

1. Post Meetings
2. Old Home Days
3. Explorer Fundraisers
4. Hollis Road Races
5. HBHS Graduation
6. Other Hollis Community Events

CHAIN OF COMMAND

Members of the Hollis Police Explorer Post 1746 will follow a paramilitary chain of command. A chain of command ensures the efficient and proper flow of information within an organization. The chain of command that has been established for the efficient operation of the post is as follows:

- Police Chief
- Administrative Services Bureau Commander
- Post Advisor
- Post Committee Members
- Explorer Captain
- Explorer Sergeants
- Explorers/Probationary Explorers

Explorers shall report to the person directly above them in the chain of command. If an Explorer is unable to contact their immediate supervisor in a reasonable amount of time, the Explorer may proceed to the next person in the chain of command.

When an Explorer is on a ride-along with a police officer, that police officer becomes an interim advisor and their immediate supervisor for the purpose of the ride-along.

Notifications: Organizations work best when information flows up and down the chain of command as needed. When determining whether or not to make a notification to the chain of command, Explorers shall use the following questions as a guideline:

1. What do I know?
2. Who else needs to know it?
3. Have I told them yet?

Courtesy: When an Explorer is addressing (or addressed by) any civilian or sworn officer of the Hollis Police Department, the Explorer shall use their title / name or Sir / Ma'am as appropriate. Additionally, Explorers should always demonstrate appropriate respect and regard for all Town employees, elected officials, and the public as a whole.

Insubordination: Insubordination means being disrespectful and disobedient to a superior. Insubordination can result in an inefficient Explorer Post which lacks common goals and motivation. Explorers are prohibited from displaying any instance of insubordination. It should be noted that misunderstanding communications or seeking clarification to instructions is not considered insubordination.

Explorers who are insubordinate may be removed from the Explorer Post.

The Form may be submitted through the chain of command in a sealed, marked envelope to ensure confidentiality. Medical Forms will be reviewed by the Post Advisor and maintained in a secure file.

Confidentiality

By nature of the Explorer Post's close relationship with the Hollis Police Department, Explorers may be exposed to sensitive or confidential information. Explorers must have the emotional maturity to recognize information that must be kept confidential regarding members of the public and their interactions with police. Explorers must keep all information of this nature that they receive or encounter while in the company of police personnel as confidential. If an explorer breaks this confidentiality rule, he or she will be dismissed from the program and he/she could be considered for prosecution under state and federal laws.

Disciplinary Action

Violations of the rules, regulations, requirements contained within this handbook will result in restricted access or removal from the Explorer program.

In cases where an investigation results from an Explorer's actions, the investigation will be conducted by the **Explorer Discipline Review Panel**, consisting of the Post Advisor and Post Committee Members. These are the officers who are the direct liaisons with the Explorer Post. Prior to any disciplinary action is taken, the Explorer will have the opportunity to provide information about the allegations as well as any disciplinary action proposed. Ride-Along Program

It is the policy of the Hollis Police Department to encourage Explorer participation in ride-alongs with Hollis Police Officers. The ride-along experience provides the Explorer with invaluable insight into the daily activities of police officers. Due to the inherent danger associated with police work, the Explorer ride-along process has a number of rules which will be strictly adhered to.

Ride-alongs will be scheduled through the Post Committee Members only. Explorers will not solicit or accept offers to ride with officers on their own. If an officer offers to take an Explorer on a ride-along, it must be scheduled through the Post Committee Members. There will be no exceptions to this rule.

Explorers may be scheduled for a maximum of one ride-along per month. Ride-alongs will be scheduled in four-hour blocks. Ride-alongs will be scheduled based on dates and times submitted by the Explorer. If an Explorer is unable to keep his/her obligation, it is the Explorer's responsibility to notify the Post Committee Members through the chain of command.

While participating in a ride-along, Explorers shall be issued and shall wear a Kevlar vest. The Explorer will return the vest immediately upon completion of the ride-along. Explorers shall wear their issued uniform while on a ride-along. Explorers should be careful regarding their personal hygiene during a ride-along as they may be enclosed in a vehicle for extended periods of time.

It should be expected that there may be significant periods of down time when on a ride-along. It is recommended that Explorer bring money for their own refreshments (or pack food and drink as necessary), a book, homework, or something else to do in the event the officer has clerical work to complete or becomes involved in an incident for an extended period of time.

Explorers will follow the instructions of the officer he/she is assigned to during the ride-along. Explorers should demonstrate enthusiasm for the experience, but will not touch any of the equipment in the police cruiser unless specifically directed to do so by the officer. Explorers should feel comfortable asking questions at the appropriate times during the ride-along experience. Explorers may be asked to share their ride-along experiences with the group at scheduled meetings.

During all calls and traffic stops, Explorers will remain in the police vehicle; however, explorers may exit the police vehicle at the direction of the police officer. Explorers will not take any action in the field unless directed to do so by the police officer.

Explorers must turn a waiver form into the patrol supervisor prior to each ride-along. Explorers under the age of 18 must have their waiver forms signed by a parent or guardian. The Chief of Police must approve the ride-along.

At no time will an Explorer follow police officers to calls in their personal vehicles. If any Explorer violates any of the rules of this section, he/she may be banned from participating in the Ride-Along Program and the Police Explorer Post.

Events and Activities

- Explorers will be supervised at all Post Meetings and activities by an Explorer Advisor, Post Committee Member, or otherwise assigned Hollis Police Officer. Explorers will direct traffic only when accompanied by a Hollis Police Officer. Any injuries, illnesses, or mishap that occurs at Post functions shall immediately be reported to the nearest Hollis Police Officer.
- In the event that an Explorer is injured, a memorandum detailing the injury will be completed by the Post Advisor, following the immediate notification of injury through the Police Department's chain of command. Copies of the memo will be given to the Administrative Services Bureau Commander and placed in the Explorer's file. The parent or guardian of any Explorer under age 18 will immediately be notified of any such event.
- Under circumstances in which there are too many Explorers at an event, an advisor may solicit volunteers to leave the event.

Explorers shall not publish photographs or videos obtained at a post event through social media without proper authorization from the Chief of Police or his designee.
