On November 29, 2023, at approximately 5:40 PM, Hollis officers were notified of a vehicle driving erratically on Broad St, heading into Monument Square. At that time, an officer happened to be at Monument Square, and observed the vehicle in question enter the square, on the wrong side of the road. The officer immediately attempted to stop the vehicle, which traveled approximately a quarter mile further before finally stopping near Nichols Field.

The driver was identified as Anastasiya Alekseyeva, 43, of Hollis. Upon making contact with her, the officer immediately detected the odor of an alcoholic beverage coming from within the vehicle, among other signs of impairment. Alekseyeva was immediately uncooperative, and failed to comply with officers instructions. She was taken into custody and transported to the Hollis Police where she was processed and released on PR bail with an arraignment date at the 9th Circuit Court, Nashua District. She is charged with DUI and an Open Container violation.

This arrest is the 47th DUI related arrest made by members of the Hollis Department in 2023. We remain committed to proactive enforcement of impaired driving offenses. If you are found to be driving while impaired, you will be held accountable for your decisions. Please choose a designated driver or a ride share service if you plan on drinking.
