On May 13, 2023, at approximately 11:50 PM, Hollis Police and EMS were dispatched to an Eastman Ln address for a report of a juvenile subject with a laceration to the head. Upon arrival, it became immediately apparent that a large house party was taking place. There was an overwhelming amount of evidence that minors were in possession of, and consuming alcohol. After further investigation, Christopher Getter, 50, of Hollis was taken into custody. He is charged with Facilitating an Underage Alcohol House Party (NH RSA 644:18). Christopher Getter was transported to the Hollis Police Department where he was processed and released on PR bail with an arraignment date set at the 9th Circuit Court, Nashua District. Lisa Getter, 49, also of Hollis, was charged with the same offense. She was released on a summons to appear in court.

Two minors were transported by ambulance to local hospitals where they were treated and released. All other minors on scene were released to the custody of parents or guardians. This incident remains under investigation. More charges are possible.

The Hollis Police Department would like to take this opportunity to remind the public that providing a "safe" place for minors to consume alcohol is not only a criminal offense, but is irresponsible and potentially dangerous. The Hollis Police Department remains committed to the safety of our children and anyone who engages in this type of behavior will be held accountable for the decisions they make. As prom season and graduation approaches, please use common sense and do not allow your loved ones to engage in this type of behavior.
