## **FOR IMMEDIATE RELEASE**

**Date:** December 26, 2023  
**Authorized By:** Captain Brendan LaFlamme  
**Contact:**

On December 23, 2023, at approximately 1:10 AM, a Hollis Police Officer was traveling westbound on Ash St, when she observed a vehicle stopped in the roadway. As she approached the vehicle, it began driving away slowly, at which time it crossed a double solid line and continued traveling on the wrong side of the road. The vehicle then traveled through a red light without stopping, and turned onto Main St. Upon witnessing these violations, the officer initiated a motor vehicle stop.

Immediately upon making contact with the operator, the officer detected signs of impairment. After conducting a roadside investigation, the driver, identified as Christopher Bury, 28, of Brookline, was placed under arrest for DUI. He is charged with Aggravated DUI, as at the time of the offense, Bury had a BrAC of .17, which is more than double the statutory limit of .08. Bury is also charged with Traffic Control Device Violation, Failure to Drive on Right Side of Roadway, Yellow/Solid Line Violation, and Failure to Use Required Turn Signal.

Bury was transported to the Hollis Police Department where he was processed and released on PR bail with an arraignment scheduled at the 9th Circuit Court, Nashua District.
