FOR IMMEDIATE RELEASE

Date: December 16, 2022
Authorized By: Chief Joseph R. Hoebeke
Contact: Chief Joseph R. Hoebeke

On the morning of Friday, December 16, 2022, at around 0645, Hollis Police responded to the area of Silver Lake Road near Federal Hill Road for a report of a vehicle off of the roadway, which was a result of hazardous weather conditions.

The first officer to arrive on scene exited his cruiser and began to check on the status of the operator. Within a few moments, an additional patrol unit, who was responding to assist with traffic control, began sliding given the roadway conditions. As the second marked patrol unit engaged in a slide, the vehicle's front right side struck the officer standing in the roadway, resulting in him being thrown a short distance and to the ground.

Following the collision, the officer was evaluated by the Hollis Fire Department and transported to St. Joseph's Hospital in Nashua for further evaluation. He was subsequently released from the hospital at around 0845 hours this morning. It is important to note that the officer did not sustain any serious injuries.

Weather conditions contributed to this collision, which is currently under Administrative Review. We wish to thank the members of the Hollis Fire Department and St. Joseph's Hospital, who provided highly effective and efficient medical care to the involved officer.
