On June 11, 2023, at approximately 1:30 AM, Hollis Police Officers were conducting a motor vehicle stop on Proctor Hill Rd, on the westbound side of the road. Another westbound vehicle, unrelated to the motor vehicle stop, collided with one of the Hollis Police cruisers that was parked on the side of the road, and attempted to continue driving. Hollis Officers were able to get the vehicle to stop.

The driver was identified as Brady Raye, 32, of Nashua. While speaking with Raye, officers detected signs of impairment. After a roadside investigation, Raye was taken into custody. He was transported to the Hollis Police Department where he was processed and released on PR bail with an arraignment scheduled at the 9th Circuit Court, Nashua District. Raye faces charges of DUI, Conduct After an Accident, and Criminal Mischief.

Raye's vehicle was towed from the scene. The police cruiser was driven from the scene.

Thankfully, there were no injuries in this completely avoidable accident. The Hollis Police Department once again wishes to remind the public that impaired driving is dangerous, and we have ZERO tolerance for this behavior. If you're going to drink, find alternative means of transportation.
