On November 22, 2023, at approximately 3:45 PM, Hollis Police Officers were dispatched to Silver Lake Rd for a report of a vehicle that was operating erratically. The vehicle was located in the parking lot of a local business. The operator was identified as Eric Terry, 47, of Brookline. While speaking with Terry, officers observed signs of impairment and investigated further. During the investigation, officers developed probable cause to believe that Terry was under the influence of alcohol. He was taken in to custody without incident and transported to the Hollis Police Department for processing. Terry was processed and released on PR bail with an arraignment date at the 9th Circuit Court, Nashua District.

Terry is charged with Aggravated DUI, as at the time of the offense he alleged to have a BrAC of .23, which is nearly 3 times the statutory limit of .08. He is also charged with an alternative count of Aggravated DUI as he had a passenger under the age of 16 in the vehicle at the time of the offense.

As the 2023 Holiday season gets under way, the Hollis Police Department wishes to remind the community that impaired driving will not be tolerated and those who choose to drive while under the influence will be held accountable for their dangerous decisions. If you choose to drink, be responsible and do not drive. Consider a designated driver, a ride share service, or simply stay home.
