Souhegan Valley Invitational (SVI) will be held July 15, 2021 to July 18, 2021.

The Diamond Gems (softball) held a tournament the weekend of May 22, 2021. They have done a lot of work on the Hollis Softball field and it looks great.

The Hollis Town Shed at Little Nichols Field is now used for storing items for Old Home Days since the library is no longer using it.

Irrigation: Met with the company that is working at HBHS. They are going to take a look at Nichols Field to see what they can do and offer us.

New Business:

Brian will review field/team fee schedules to see if anything needs to be adjusted.

Pickle Ball: A resident asked about putting pickle ball line markings on the tennis courts. Will paint the corners to decrease the need to measure but lines will still need to be taped.
