Cornhole league has wrapped up. The final tournament was held on August 12, 2021 with the best 2 out of 3 determining the winners. Congratulations to Travis Spaulding and Jeff Spaulding for winning the tournament.

Two women have stepped up to run the cornhole league in the future. Brian Bumpus will work with them over the next few weeks structuring the league.

National Night Out went very well and was very well attended. Have already met to work out the kinks for future events.

Irrigation: Have been working with Brewer Landscape and will also contact NH Greenscapes.

New Business

Cal Ripken: Will put numbers together for dugout maintenance. They will make a list of projects that need to be done at Nichols Field.

K9 Toss N' Fetch: Kristy Williams has contacted rec regarding a K9 frisbee league. When the dogs are working it would be two hours per week. Need more info; What type of schedule is it? What time of day? What would the time frame be?

Brian will contact Kristy for more information.

Trash Receptacles: Michelle St. John is requesting better trash receptacles. There are many trash receptacles available including

recycling but the trash needs to be emptied more than once a week. Will look to the town for help with this issue.

MOTION to close the meeting at 7:43pm by Russ Rogers, 2nd by Dave Belanger.

APPROVED

The next meeting will be October 6, 2021.
