Welcomed Erica Crea, the new rec. director and to Tom Whalen, this years select board representative.

The committee walked Nichols Field. Looking for a potential location for a new basketball court. Discussed the possibility of adding pickle ball courts. Made a list of work that needs to be done and items that need to be removed and/or replaced. There are two broken tables with seating that need to be removed from Nichols Field. They are located in between the track and the snack shack. Erica will get price quotes for getting new tables and chairs or stone benches.

Need to have a discussion with the Hollis Area Equestrians. Dave will contact Jayne Belanger regarding the cost estimates for fence repairs and paint and stain for the Nichols riding ring.

Will look into painting corners and lines for pickle ball. Will research portable pickle ball nets. Discussed the pro's and con's for pickle ball on the tennis courts vs. the basketball court.

All ball fields have had the infields turned over.

Discussed putting the irrigation system controls on WIFI.

The electric panel and box need to have locks installed.

Softball: There will be background checks for softball coaches. Insurance is covered under the town umbrella as they are a true town rec program. Softball fields need some maintenance. The softball shed doors have been ripped off the hinges, the metal is off and the roof has been ripped off. The shed will be replaced.

MOTION by Dave Belanger to spend a maximum of \$250.00 for drying material for the softball field. APPROVED

Opening day and the baseball parade will be April 9, 2022.

The next rec meeting will be Thursday, May 19, 2022 at 7:00pm. Please note the day change. We will be meeting the third Thursday of the month instead of the first Wednesday.
