31 <u>NEW BUSINESS</u>

32 COVID-19 Update

Hollis and Brookline currently have less than 4 cases of COVID-19. It was explained that Beaver Brook had been overwhelmed with people using the trails and facilities due to the coronavirus pandemic and stay at home order. The amount of people on trails conflicted with the social distancing order, by the Governor. Following discussion with the Trails Committee, Emergency Management Director and others, it was decided to close the trails.

38

39 Tax Lien Information

40 Ashley Schoff, Tax Collector/Deputy Finance Officer explained that on April 23, 2020 the town will begin the

41 process to lien properties with unpaid property taxes from 2019. This is done in April of each year, so it is not a

42 new process and therefore action from the Select Board is not required. There are thirty seven (37) properties

from 2019, totaling approximately \$236,000, which is up from last year, which was \$180,000.

44

45 Municipal Sidewalk Agreement-New Hampshire Department of Transportation

46 The Municipal Sidewalk Agreement is between the Town of Hollis and the New Hampshire Department of

- 47 Transportation for the Congregational Church of Hollis to construct proposed sidewalk improvements. The
- 48 Congregational Church of Hollis will be responsible for the management and operation of these facilities

49 throughout the duration of the construction of the project. The Town of Hollis will be responsible for the future 50 maintenance of the sidewalks. Mr. Tom Hildreth was available via teleconference and answered questions 51 related to the agreement.

MOVED by David Petry seconded by Paul Armstrong that the Select Board approve the Municipal Sidewalk Agreement with the New Hampshire Department of Transportation. Voting in favor of the motion were Le Doux, Petry, Benz, Band and Armstrong. No one was opposed. The motion PASSED 5-0-0.

58 **Timber Sale Agreement**

59 On behalf of the Select Board, Lori Radke, Town Administrator will request that a member of the Forest 60 Committee oversee the project. The member should not have a conflict of interest with the project. 61

62 MOVED by Mark Le Doux seconded by Peter Band that the Select Board approve the Timber Sale 63 Agreement with Proctor Hill Forestry & Logging, LLC with the condition of seeking oversight of the 64 project from the Forest Committee. Voting in favor of the motion were Le Doux, Petry, Benz, Band and 65 Armstrong. No one was opposed. The motion PASSED 5-0-0.

66 67 **Department of Public Works**

68 **Bid Approval – Paving**

69 Director, Joan Cudworth stated that three companies provided bids for the paving contract. The lowest bid was 70 R&D Paving at \$601,695.14.

71 72

73

74

MOVED by Paul Armstrong seconded by David Petry that the Select Board approve R&D Paving as the successful recipient for the paving contract for the 2020 calendar year, as recommended by DPW Director, Joan Cudworth. Voting in favor of the motion were Le Doux, Petry, Benz, Band and Armstrong. No one was opposed. The motion PASSED 5-0-0.

75 76

77 **Contract Approval – Roadside mowing**

78 It was explained that Daryl Pelletier entered into a five-year agreement with the Town for roadside mowing in 79 2014. The cost did not change for 2019, however the bid for calendar year 2020 increased by approximately 80 \$6,000, making the total bid \$24,375. This is the only vendor to bid on the contract. Mr. Pelletier is 81 knowledgeable with Hollis roads and woody trouble spots. He also mows Brookline, Amherst and other small 82 communities. Towns like Milford, Nashua and Merrimack mow in-house. The reason for the increase was not 83 clear. It was determined that \$22,205 was available in the Hired Equipment line of the budget. It was suggested 84 that J. Cudworth negotiate the bid amount with the vendor, in order to stay within budget. The Board suggested 85 looking into whether the DPW can provide this service in-house, for next year.

- 86 87 88
 - MOVED by Susan Benz seconded by Paul Armstrong that the Select Board authorize DPW Director, J. Cudworth to negotiate the bid for roadside mowing, with the vendor in order to stay within budget. Voting in favor of the motion were Le Doux, Petry, Benz, Band and Armstrong. No one was opposed.

The motion PASSED 5- 0-0.

92 **Roll Off Boxes at Transfer Station**

- 93 Extra hours for Hollis residents age 60 and older takes place on Wednesdays from 8:00AM-12:00PM.
- 94 Residents and staff are pleased with the additional hours and feedback has been positive. The set-up of the
- 95 transfer station is very congested and not spread out, which makes social distancing impossible, at this time.

Additionally, since recycling is restricted and is being disposed of in the trash, the amount of trash collected has
doubled. Currently the town is borrowing two roll off boxes from DC Slocomb Company

98

J. Cudworth obtained three quotes for 30 yard roll off boxes. The quote for two heavy duty boxes, including shipping was \$12,400. The lead time is 4-6 weeks. J. Cudworth will inquire whether renting the boxes is an option. Funds for this purchase are not included in the budget, however if the Board chooses to move forward, funds could be expensed from the Contingency Fund. J. Cudworth will look into the possibility of obtaining a grant through New Hampshire the Beautiful to help offset the cost of the purchase. Grants from that entity were utilized in the past for the other roll off boxes at the Transfer Station. Once that information is obtained, the Board will revisit the topic.
