

## ROCKY POND BOAT LAUNCH

The Town of Hollis maintains a boat launch for Hollis residents on Rocky Pond. In order to keep the pond clean, healthy and enjoyable for our residents for generations to come, several guidelines and restrictions have been implemented.

- HOLLIS RESIDENTS ONLY have access to the boat launch only through a gated vehicular access at Samuel's Way. A temporary access key and parking permit shall be obtained at the Hollis Communications Center/Police Department. Only one vehicle may enter the boat launch per key, which must be returned to the Communications Center/Police Department.
- Only 5 vehicles are permitted to park and access/use at a time and the parking permit must be visually displayed in the vehicle. No parking on the street or road. Be considerate in your parking to allow space for the remaining number of vehicles.
- There are no public sanitary facilities. Swimming, wading, picnicking or fishing from the boat launch is not allowed.
- Guests must be accompanied by a Hollis resident, at all times.
- The boat launch is for kayak, canoe, boat, and paddleboard use only. Motors, rafts, floats, and boat trailers are prohibited.
- Hazardous waste, as defined under state and federal law, is not permitted. The use of petroleum products and other solvents or solutions are prohibited.
- Access is exclusively via the boat ramp. Hiking, biking or walk-in access is prohibited.
- Users must follow NH boating regulations, in particular, Personal Flotation Devices are required for ALL users.
- Permitted access is one hour after dawn to one hour before dusk.
- All trash must be removed from the premises, there are no trash barrels, it is "carry-in, carry-out".
- Clean your boat BEFORE and AFTER each use, following NHDES guidelines to prevent spread of aquatic invasive species.
- The pond is completely surrounded by private property. Trespassing is not allowed, including all docks and rafts.
