5. HEARINGS
   E. Clements gave some brief background in regards to the Board’s request that the applicants currently on the agenda voluntarily table their applications to the next Planning Board meeting. This was requested in order to limit the public, board members, and staff to exposure of the Corona Virus. All applicants submitted in writing that they would be willing to have their application tabled until the April 21, 2020 meeting date. It was noted that as the April 21, 2020 meeting date gets closer, depending on the public health conditions and state of emergency, that meeting might be postponed as well.

   The Board, motioned by J. Peters and seconded by D. Cleveland to table all applications on the Agenda until the April 21, 2020 meeting. The motion passed unanimously.

   D. Petry asked a procedural question about the time limit of reaching a decision for pending applications. Specifically if the clock is still running for those applications that have been tabled and are in final review or if the clock had been paused since the applications were tabled by the applicants themselves.

   E. Clements stated that since the applicants themselves requested to table then the clock should be paused. Staff was directed to clarify and confirm that this was the case.

6. OTHER BUSINESS
B. Mosely reminded the Board that they would be discussing procedural changes at the next scheduled meeting.

8. ADJOURN

There being no further business, D. Cleveland motioned to adjourn, seconded by J. Peters. The meeting was adjourned at 7:11 pm.

Respectfully submitted,

Evan J. Clements
